Kalidasa is the major poet and dramatist of classical Sanskrit literature - a many-sided talent of extraordinary scope and exquisite language. His great poem, Meghadutam (The Cloud Messenger), tells of a divine being, punished for failing in his sacred duties with a years^{वर्ष}™ separation from his beloved. A work of subtle emotional nuances, it is a haunting depiction of longing and separation. The play Sakuntala describes the troubled love between a Lady of Nature and King Duhsanta. This beautiful blend of romance and comedy, transports its audience into an enchanted world in which mortals mingle with gods. And Kalidas^{वर्ष}™s poem Rtusamharam (The Gathering of the Seasons) is an exuberant observation of the sheer variety of the natural world, as it teems with the energies of the great god Siva.
